To download the Trainees application forms, click on the icon on the far right hand side of the screen (column 'Download App Form). A pop up box will appear, choose format you require, press request report and close the box. Press 'refresh data' and please wait a few minutes for the report to download. When the report is ready to review an icon will appear on the far left hand side next to the applicant's name. Please press the icon and the application forms will download.

To view references, click on 'View' and this will take you to a separate window to download the references.

Please click <u>here</u> to view an example of how to use Oriel.
