

Foundation Pharmacy

Oriel – Employer Access Guide

Oriel 2 is only supported on the following browsers: Chrome, Edge, Safari and Firefox.

1) Setting up your Oriel account

You will receive an email confirming that your Oriel account has been created - screenshot below

Account created

Dear Foundation Pharmacy,

You are receiving this email because an employer account has been created for you in Oriel. Please click on the button below to reset your password and login:

[Login here](#)

This link is valid for 48 hours. This link will allow you to specify a new password for Oriel. Please note, this password must meet the Account & Password Policy as shown when resetting your password.

Once you have confirmed your new password, you will be able to log in with your email address and newly specified password.

If you are having trouble clicking on the button above, copy and paste the URL below into your browser to continue:

To download the Trainees application forms, click on the icon on the far right hand side of the screen (column ‘Download App Form). A pop up box will appear, choose format you require, press request report and close the box. Press ‘refresh data’ and please wait a few minutes for the report to download. When the report is ready to review an icon will appear on the far left hand side next to the applicant’s name. Please press the icon and the application forms will download.

To view references, click on ‘View’ and this will take you to a separate window to download the references.

Please click [here](#) to view an example of how to use Oriol.
