Further information on the Trust:	
<p>ELFT (East London NHS Foundation Trust) is making a positive difference to thousands of people's lives, providing support so that they can fulfil their potential and enjoy healthy lives.</p> <p>ELFT has been named one of the HSJ Top 10 best places to work in healthcare, HSJ Provider Trust of the Year and graded as Outstanding by our regulator, the Care Quality Commission</p>	

(CQC) in 2018. We believe that staff who feel valued by the Trust and are truly engaged in the organization deliver better outcomes for our patients. This Trust is clinician-led, and provides the highest possible level of clinical expertise throughout its services.

We have set ourselves the mission to improve the quality of life of all we serve, and have embarked on an ambitious Quality Improvement Programme to transform the culture of the Trust to one of continuous improvement, delivered through participation of all staff and with service users, carers and families at the heart of our efforts to improve.

This is a two week structured programme to prepare the student for the future position of hospital pre-registration pharmacist and a taster of mental health pharmacy. The two weeks would be based at one of the hospitals: City and Hackney Centre for Mental Health, Newham Centre for Mental Health or Mile End Hospital.

During this time, you will experience and gain an insight into different areas of the pharmacy department and the services provided. Each student will have a tutor and timetable will be prepared which comprises of different rotations. This will range from Older People's Care wards, Forensics, Childhood and Adolescent Mental Health, Crisis units, Psychiatric Intensive care units, Substance Misuse Team, Clozapine Clinic or community teams. In addition, you will also have an opportunity to complete a work book and deliver a presentation to the department.
