<b>Further information on the Trust:</b>	
<p>WLT is one of the largest trusts in London offering a wide range of health and social care services across three boroughs. We specialise in caring for people with mental health problems, addictions and learning disabilities, as well as providing Community Health Services to residents in the boroughs of Ealing, Hammersmith and Fulham and Hounslow. We provide an integrated care service to Clayponds Hospital. We also provide specialist forensic services. Vacation students will spend time in the dispensary, accompanying ward pharmacists, and doing project/audit work. This may involve working at different sites and travelling across the trust.</p>	

Promoting hope  
and wellbeing

## How We Support Pharmacy Undergraduate Students

The West London NHS Trust pharmacy team is spread over numerous services including, Ealing, Hammersmith and Fulham, Hounslow, Clayponds and Broadmoor High Secure Pharmacy. Our vast services range from community, secondary, tertiary, integrated care, rehabilitation, forensics and high secure services.

We have a dedicated pharmacy team of assistant technical officers, medicines management technicians, clinical pharmacists, specialist pharmacists, highly specialist pharmacists, medicines information, a medicines safety officer and a consultant pharmacist.

One of your objectives would be to better understand sub specialities and roles each member of the team plays in getting our patients well.

### FORENSIC and HIGH SECURE SERVICES

This service is dedicated to offenders with a mental illness, those with challenging behaviour and specialist rehabilitation needs. Depending on their needs they are placed in low, medium or high secure forensic services.

### LOCAL SERVICES

This service is dedicated to patients of all ages suffering from a mental disorder in the boroughs of Ealing, Hammersmith and Fulham and Hounslow.

### INTEGRATED CARE SERVICES

The integrated care service includes the rapid response team and Clayponds rehabilitation hospital (short term rehabilitation, long term rehabilitation and post stroke wards. At times, the pharmacist will conduct home visits to undertake medication reviews and address medication related issues.

We fully support Pre-Reg Pharmacist placements, summer pharmacist vacation students and higher education needs. For further information please email:
