<b>Further information on the Trust:</b>	
Trust Website: <a href="http://www.gstt.nhs.uk">www.gstt.nhs.uk</a>	

We offer around 30 unpaid work experience between **June and August 2021** for placements of 4 – 6 weeks at Guy's and St Thomas' Hospital NHS Foundation Trust where the successful intern will spend their time in one of the hospitals throughout their internship.

We are asking for applications to be submitted **from 1 February 2021 to 12 February** to [chris.eaton@gstt.nhs.uk](mailto:chris.eaton@gstt.nhs.uk)

Any applications received before or after this time window will **not** be considered.

## About the scheme

These voluntary placements are only open to **UK pharmacy undergraduates** (i.e. students currently studying for an MPharm, or equivalent, degree programme).

The main focus of the internship will involve project work which individual tutors will set for their students; these may be in clinical or non-clinical areas. Each summer intern will be assigned to a tutor who will be responsible for the programme for their student(s) which would include visits to other areas of pharmacy; there is no guarantee that visits to all areas will be provided. Summer interns will gain an in-depth insight into the advanced practice in their tutor's specialist area(s).

## Applying for a placement

Applications are considered on merit and there will not be any interviews or selection tests. We only accept pharmacy summer internship application forms and these will form the basis of any offers. We **will not consider** blank or part-filled applications with a CV attached.

To help us plan and allocate tutors it is important that you clearly state which month you will be available for your summer placement experience.

As we receive a large number of applications, we are unable to contact everyone individually. If you do not receive a reply from us **4 weeks after the deadline has passed**, please assume that you have been unsuccessful.

## Sending your application

Applications should be emailed to [chris.eaton@gstt.nhs.uk](mailto:chris.eaton@gstt.nhs.uk)
