| Further information on the Trust: | |

WLT is one of the largest trusts in London offering a wide range of health and social care services across three boroughs. We specialise in caring for people with mental health problems, addictions and learning disabilities, as well as providing Community Health Services to residents in the boroughs of Ealing, Hammersmith and Fulham and Hounslow. We provide an integrated care service to Clayponds Hospital. We also provide specialist forensic services. Vacation students will spend time in the dispensary, accompanying ward pharmacists, and doing project/audit work. This may involve working at different sites and travelling across the trust.
