Further information on the Trust:	
Camden and Islington NHS Foundation Trust provides high quality, safe and innovative mental health and social care and substance misuse services to service users in the community, in their homes or in hospital. We provide services for adults of working age, adults with learning difficulties, and older people in the London area. We currently deliver the majority of our care to residents in the London Boroughs of Camden & Islington. However, we also provide substance misuse services in Westminster, and a substance misuse and psychological therapies service to people living in Kingston.
