<b>Further information on the Trust:</b>	

Medway Maritime Hospital is a district general hospital based in Gillingham, Medway. We serve a local population of more than 424,000 across Medway and Swale.

Our pharmacy department is friendly and progressive. We look forward to welcoming summer students for two week placements in July 2023, with exact dates being agreed after successful appointments.

Students will be exposed to a range of clinical areas, as well as working in the dispensary and getting involved with project work as opportunities arise. This will be a broad and exciting introduction to hospital pharmacy.

We look forward to welcoming applications for Summer 2023.
